[Click to watch a quick demo](#)

- New System Setting to default selection of **Service Type** when adding a new Contract
 - * By default, your NGI system will select *Interruptible*
 - * To change this setting, please contact Kyle Murphy at kyle@latitudetech.net

FERC Regulated Facilities Only

- Identify contracts used in **Reservoir OAC** calculation.
 - Great for Base Gas and Fuel contracts that need to be left out of the calculation sent over to your Informational Posting site.

FERC Information

Shipper Affiliation ▼

Maximum Tariff Rate OR ☐ Market Based Rates

Capacity Release Contract Yes ☐ No ☒

☒ Include this contract in OAC Calculations

Negotiated Rate Indicator Yes ☐ No ☒

Rate Schedule

Award ▼

Scheduling

- Update Rates from the **Scheduled Quantities by Customer** screen

[Previous Day](#)
Nominations for Wednesday, April 7, 2010
[Next Day](#)

ID	Interconnect	TT	Rate (& Rate Extension)	Entity & Contract	Shipper	Nominated Quantity	Confirmed Quantity	Confirmed	Scheduled	Fuel	R
62882 T	Consumers	INJ	0.015	sdf	BG Energy Merch	100	0	NO	100	1	r
62860 T	Dawn	WVD	0	sdf	BG Energy Merch	200	0	NO	200	0	r
62828 T	Consumers	INJ	0.0111	sdf	BG Energy Merch	100	0	NO	100	1	r
Totals:										2	

☐ Email Customer on Sch Qty cuts

You can now mass update rates for a day from the Scheduled Quantities by Customer screen.

Check this to update all future associated noms

Email Notifications

- When a storage customer **deletes a Nom**, you can now be **notified through Email Events Management**.
- New Customer Contact Type** used to email Storage Customers when an **Invoice has been copied** to their view.

Edit Customer

General Information

Customer Name:
 Duns Number:
 Customer Number:
 Customer Abbrev:
☒ Active
 ☐ Inactive

Customer Contacts

Contact Name	Contact Number 1	Contact Number 2	Contact Number 3	Fax Number	Email Address	Type
<input type="button" value="copy"/> Bob Johnson	214-555-5541				bob@merrilllynch.com	Invoicing

Contact Types
 'Other': General Contact. No specific function.
 'Contract': Default Contact on the Contract entry screen
 'Confirm': Contact name on Contract Confirmation [Future Release]
 'Notices': Contact that receives Notices via email [Future Release]
 'Scheduling': Contact that receives email notification when nomination quantity does not equal scheduled quantity [Future Release]
 'Inventory': Contact name on Inventory Confirmation
 'Invoicing': Contact that receives email notification when Operator copies invoices to the Customer's directory

Reports

- Download a **CSV File** with the output of your **Custom Nom Report**.
 - Upon running a Custom Nom Report, you will now see a **Download CSV File** link at the top.
- The **Nom History Report** now has the ability to **show Confirmed Quantities** and has additional grouping capabilities.

General System Enhancements

- You can now **edit OBA Flow Noms** (up to 3 years back).
- User **password retrieval** on all login screens.
 - Just click the **Forget Password** link on the login screen, enter your username, and an email will be sent to the address tied to the user record.

** For this feature to work, you must **Add Email Addresses to your User records***
