RE: Maintenance at Hill-Lake Gas Storage Facility

Dear Gas Storage Customer:

The Hill-Lake Gas Storage facility will be shut-in for maintenance. We expect this operation to take four days beginning **October 22, 2019 9:00 a.m. to October 26, 2019 9:00 a.m.** No nominations for storage service will be accepted during the shut-in.

Therefore, pursuant to Section 6.3 "Nominations and Scheduling," (i) "Routine Maintenance" of the Statement of Operating Conditions, we are hereby giving notice of such maintenance. During the maintenance period all storage customers will be shut-in.

Please contact Johnny Ulrich, Terri Fiandt or Matt Singer at (713) 961-3204 if you have any questions. Thank you for your cooperation.

Sincerely,

John Holcomb
President and CEO
