

April 11, 2025, Update to Notice Dated March 26, 2025: On March 26, 2025, Hill-Lake Gas Storage, LLC (“Hill-Lake”) sent a Notice regarding compressor maintenance on Gas Day March 28, 2025, through Gas Day April 12, 2025. This is an update to that Notice.

Due to additional maintenance and repair work that Hill-Lake needs to complete, the completion date will extend beyond Gas Day April 12, 2025. Hill-Lake does not have an expected completion date at this time but will notify its Customers as soon as it has reliable information. Due to this extended work, Hill-Lake may either curtail or not confirm Injection nominations.

We will post an update to this notice as soon as an end date is confirmed. If you have any questions, please contact Matt Singer at (281) 782-2008 (cell) or Matt Duke at (713) 420-9983 (cell).
