

Katy Firm Wheeling Service

Katy Storage and Transportation is holding a nonbinding, nine-day open season for its firm wheeling services. Katy's dual pipeline header system interconnects with 15 major natural gas inter- and intra-state pipelines:

Receipt Only: Oasis and Duke

Delivery Only: TGP, GSPL, Transco, and NGPL

Bidirectional: Monument, DOW, KM-Texas, KM-Tejas1, KM-Tejas2, HPL, Atmos, Aspen, Trunkline, and Katy Pool

Term of one year or longer with a start date of 4/1/2021.

The Open Season begins at 8:00 AM CT on 3/17/2021 and ends at 4:00 PM CT on 3/25/2021.
