**\*\*\*\*\*ANNUAL SHUT DOWN OF KATY HUB UPDATE\*\*\*\*\***

Dear Customer,

Enstor Operating Company, LLC, on behalf of Enstor Katy Storage and Transportation, L.P. (“KST”), hereby provides notice of the annual shutdown of the Katy Hub. This notice is an update to the version sent out on October 25<sup>th</sup>, 2022. The shutdown will commence at 09:00 AM CST on Tuesday November 15, 2022, and is expected to end at 09:00 AM CST on Tuesday November 22, 2022. A partial shutdown of the facility will be required during this time period. Please note that this is not a complete facility shutdown and will consist of the following:

1. No gas will flow, nor will nominations be accepted at the following meters during this partial facility shutdown:
  - Oasis Pipeline
  - Kinder Morgan Tejas Pipeline
  - Monument Pipeline
2. Gas flow and nominations will be accepted on all other Pipeline Interconnects with Enstor Katy Storage and Transportation, L.P. aside from Oasis Pipeline, Kinder Morgan Tejas Pipeline, and Monument Pipeline.

Set forth below is section 22.2 of the Statement of Operating Conditions for KST, as on file with the Federal Energy Regulatory Commission, which provides for an annual shutdown.

22.2 Katy shall have the right to interrupt the flow of Gas necessary, including, but not limited to, at least once annually, to test, alter, modify, enlarge or repair any facility or property comprising a part of, or appurtenant to, the Katy Storage Facility, or otherwise related to the operation thereof. Katy shall endeavor to cause a minimum of inconvenience to Customer and, except in cases of emergency, shall give Customer advance notice of its intention to so interrupt the flow of Gas and of the expected magnitude of such interruptions.

We apologize for any inconvenience and will complete the process as quickly as possible. If you have any questions, please feel free to contact KJ Ko at [kj.ko@enstorinc.com](mailto:kj.ko@enstorinc.com) or at (713) 591-5300 (Cell).

Sincerely,

KJ Ko
