RE: Maintenance at Worsham-Steed Tolar Hub Facility

Dear Customer:

The Worsham-Steed Gas Tolar Hub facility will be shut-in for maintenance. This shut-in will take two (2) days beginning **June 28, 2018, 9:00 a.m. and ending June 30, 2018, 9:00 a.m.**

This notice is pursuant to Section 6.3 "Nominations and Scheduling", (i) "Routine Maintenance" of the Service Agreement, we are hereby giving notice of such maintenance.

The pipeline interconnects affected by this maintenance and shut-in will be Atmos Line-X and North Texas Pipeline.

The Worsham-Steed Storage Facility and all other pipeline interconnects will be operational during this period and nominations will be accepted.

Please contact Johnny Ulrich at (713) 623-5931 or Terri Fandt at (713) 623-5919 if you have any questions. Thank you for your cooperation.

Sincerely,

John Holcomb
President and CEO
